PREVAILING WAGES

- A. Contractor shall pay the prevailing rate of wages to all workers, laborers, or mechanics employed in the performance of any part of the work in accordance with RCW 39.12 and the rules and regulations of the Department of Labor and Industries. Industrial Statisticians of the Department of Labor and Industries determines the schedule of prevailing wage rates for the locality or localities of the work. It is the contractor's responsibility to verify the applicable prevailing wages prevailing wage rate.
- B. Before commencing the work, contractor shall file a statement under oath with owner and with the Director of Labor and Industries certifying the rate of hourly wage paid and to be paid each classification of laborers, workers, or mechanics employed upon the work by contractor and subcontractors. Such rates of hourly wage shall not be less than the prevailing wage rate.
- C. Disputes regarding prevailing wage rates shall be referred for arbitration to the Director of the Department of Labor and Industries. The arbitration decision shall be final and conclusive and binding on all parties involved in the dispute as provided for by RCW 39.12.060.
- D. Each application for payment submitted by contractor shall state that prevailing wages have been paid in accordance with the profiled statement(s) of intent, as approved. Copies of the approved intent statements(s) shall be posted on the job site with the address and telephone number of the industrial statistician of the Department of Labor and Industries where a complaint or inquiry concerning prevailing wages may be made.
- E. In compliance with Chapter 296-127 WAC, Contractor shall pay to the Department of Labor and Industries the currently established fee(s) for each statement of intent and/or affidavit of wages paid submitted to the Department of Labor and Industries for certification.
